

COMPANY PROFILE

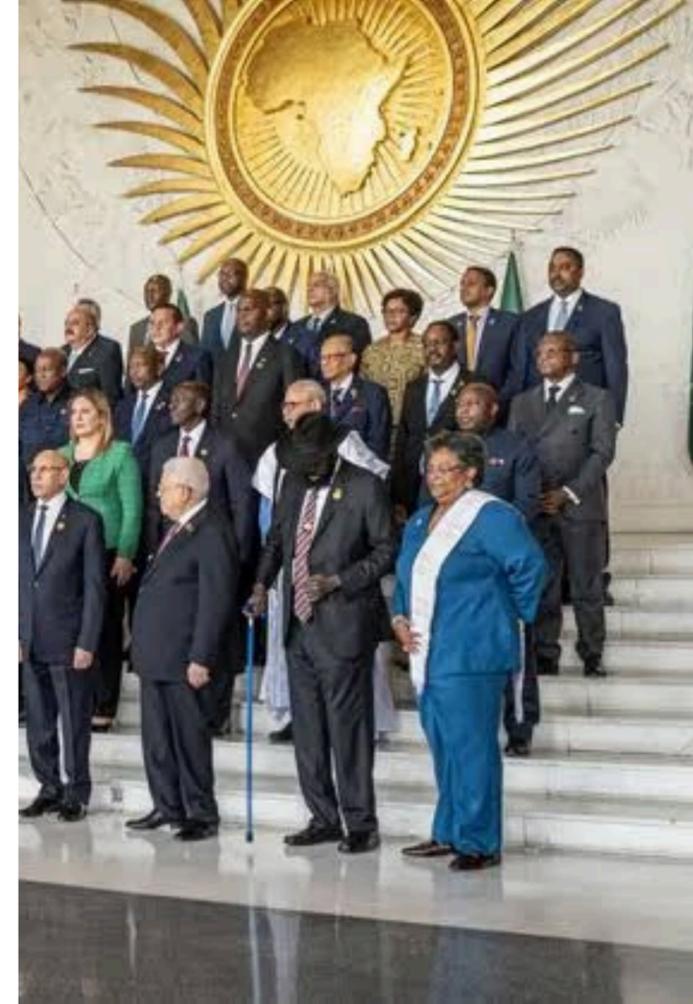

COMPANY

Nxeko Group public and government affairs team of consultants are trusted and experienced public affairs advisors—including former government officials, political advisors, policy and regulatory experts, lawyers, economists, and industry professionals. Their experience within national, regional, and global government and regulatory systems allows us to help our clients understand and engage with them effectively. We help our clients engage with government, politics, policy, and regulation to help them earn trust and achieve success. Across Africa, our teams are rooted firmly in local markets and local public affairs, and work together across regions and internationally to provide regional and global perspectives.

Nxeko Group provides it's clients with the following :

- Market Intelligence Reports
 - Lobbying and Advocacy
 - Government Affairs
 - Political Risk Advisory
 - Political Communication
 - Stakeholder management
 - Policy & Regulatory Affairs
 - Fundraising strategies
 - -Conference and Events Management
 - Community Engagement & Mobilisation
- Bespoke advisory services on South Africa's rapidly evolving economic, social, policy and political climate.
- Having worked as a senior corporate executive, with the former South African President (President Thabo Mbeki), senior government policy makers, private sector executives and community leaders - no other think tank understands what drives South Africa's strategic environment as well as we do.
 - Companies that rely on our advice are robustly positioned to understand key uncertainties, identify opportunities, and navigate safely around short, medium, and long term strategic risks.

VISION & MISSION

Vision

Nxeko Group strives to ensure that their clients are well resourced to execute the mandate.

Mission

We enable our clients to scale resilient and sustainable businesses and projects.

WHAT WE BELIEVE

We believe that connections made through genuine interactions are a powerful way to change narratives. We are committed to changing global narratives about Africa by celebrating Africa's contributions to global development.

Integrity

We uphold strong moral principle, transparency, and honesty in everything we do.

We take personal responsibility to deliver our work on time, with the highest standards possible

Collaboration

We believe in the power of diversity, inclusivity, collective genius, and shared success and actively engage stakeholders who embrace these values

Innovation

We embrace challenges and are problem solvers! We are attuned to the latest trends, technologies, and opportunities in the sector and provide pioneering solutions to deploy in our ecosystem.

Nxeko has achieved significant public relations and stakeholder engagement wins for a number of multi-nationals, JSE-listed companies and industry bodies in various sectors over the years.
